Who is Depositing Your Dollars?

ARE YOU?

It makes all the difference in the world. Your bank account is your financial thermometer.

Every deposit credited in your passbook is a milestone passed on the road to success.

Peel off an extra \$5, \$10 or \$20 each payday and bank it. Don't let the other fellow deposit your dollars.

Spliv and Splav Have a Few Words About Post

Spliv says get out your calendar.

Corporal Bell of the band is again out in the weather.

Is Corporal Lewis of H. Q. company a sergeant major?

Mrs. Speedball Hayden has opened a soft drink stand on Broadway.

Sergeant Buck Chambers was seen hanging around the provost marshal's office. Worked your job, or Mark, didn't you, Buck?

Private First-Class Louis January is expected to give up his job of meeting daily all eastbound trains, as she is expected in Wednesday.

Did you see Sergeant McQuinty's 50 men off Saturday night? They are going all the way to Camp Zachary Taylor at Louisville, Kentucky.

Sergeant William Jackson, Camp Hospital, was heard singing today. "The camp right in and went right back, and she didn't even say good-bye."

Miss Frankie Abernathy and Mrs. Don were seen "jazzing" the 1920 Schottische and the New York "Dip." Why, we did that dance in '08, didn't we, Frankie?

Mrs. Spencer Williams has returned from her vacation in Hot Springs, Arkansas. Guess Sergeant Spencer will let up on the Western Union for a while.

Sergeant William Jackson of the Camp Hospital can now give Private Clifford Parker the hula, as he is permitted to leave the hospital, while poor old Bible must remain in quarters from 8 a. m. until 8 p. m.

William White of the Commercial Cafe has a new way of feeding his wife. They were seen Sunday dining in the cafe on butter-milk. Mr. White used a quart, while Mrs. White used a gallon. White says that is a good way to get fat on a cheap scale.

Private Maurice Metzer, Camp Hospital, one of the best qualified men in the Medical Department for doing nothing, is now doing duty while he sleeps. He is expected to be relieved in a few days and assigned to duties pertaining to his special qualification of doing nothing.

Old old friend, Sergeant Joe Block, born, was reported "lost in action" in the last engagement in the "Ice House Sector." At last reports he had failed to "come back." He and Rufus Williams were seen parading "Ice Plant Avenue." Wonder if hula is training under Block?

"Happy" Briggs, champion writer, weight of the 24th and one of the popular boxers of the camp, is in the semicircular at Fort Bliss today with Babe Cabell. Happy won a decision over "Babe" here several months ago and should repeat. Babe has a haymaker wallop like a mule and in his last out here Briggs ducked for it. But if Cabell ever lands it will be "goodnight Briggs."

Sergeant Rowland Ballard, newly appointed provost sergeant, can be seen daily strutting his stuff all dolled up. Oh, well, old boy, we had much rather see you all dolled up than for you to think that you can run the town as my old friend Mack did. The enlisted men of this camp are all with you and will assure you that they will conduct themselves in a respectable manner in and around Columbus.

Private First-Class Clarence Ober, U. S. Camp Hospital, after gaining 50 pounds during one year's sojourn, will be forced to leave here today (thanked), owing to the fact that

after continuous training for 20 days trying to reduce down to fit that civilian suit which he left at home before coming into the service and sent for to wear back home.

Sergeant Richard Dade, Camp Hospital, played the part of Sherlock Holmes last night in capturing burglars William Jones and Willie Williams, two escaped patients from old ward No. 9, made famous by the patronage of the 24th Infantry. Private Willie Williams tried to disguise himself as a corporal, but Sergeant Dade nabbed him just the same.

Be Sure and Take Your Spurs to Las Vegas

LAS VEGAS, N. M., June 25.

Whether there's a swell party or a wedding in Las Vegas, there's usually enough dress suits in the town to go around. Judicious borrowing and lending usually turns the trick, but there's some doubt if there are enough spurs in the town to provide admission requirements for the young chaps who want to attend the cowboys' ball on July 5. The cowboys won't let any man dance during the first hour of the ball unless he has on boots, spurs, chaps and soft shirt. The girls who are going are planning to wear boots, it is reported, to save their ankles from the spur rowels. The preachers all say if the cowboys can make the girls hide their ankles even for one evening, they have accomplished something.

Safety is the aim of a new gas hose connection, which is screwed into wall socket, the operation of turning it turning on the gas while removing them stops the flow.
